

FURTHER INFORMATION

- There is no self shuttling at all across the 3 days
- Timing Chips: Your timing chip will be issued to you on the Saturday morning before qualifying. You must hand it back in that afternoon. Then they will be reissued to you on the Sunday morning.
This is to be worn on your wrist.
Timing chips will be collected at the finish of the race. Racers who withdraw or do not complete the race should return the timing chips to the timing tent. The timing tent will be located in the race precinct area. Lost or damaged timing chips will be charged at \$100 replacement fee.
- Parking is available on the side of the road or in the grassed area between the park and the Pavilion (pub) near the camping or at the resort.
- Water will be available at the race precinct area and the top of the downhill. But where possible, please bring your own reusable water bottle and water supply. We do ask that you sanitize your hands prior to using the water taps on the tubs. Cold bottles water and drinks will be available for purchase at the Sausage Sizzle on both Saturday and Sunday.
- Toilets: Portaloo toilets will be located near by the race precinct area and camping area.

- **Race Plate:** Attach your bike number to the front of your bike using at least 3 ties, securely fastening in an upright position ensuring that can be easily seen from the front. Your Number should be in front of the brake cables and not wrapped around any part of the bike. The number cannot be altered, obscured, cut or de-faced. If the race number is not attached correctly there is a possibility that the timekeepers will not read your number. It is your responsibility to ensure it is fitted correctly.
- **Withdrawing from the Race:** A rider may withdraw from race at any time. If they choose to withdraw, they must notify the event staff at the timing tent. A rider who withdraws is not allowed to rejoin or resume the race. They must remove their race numbers and cannot ride on the course for the remainder of the event.
- **Rubbish:** We would prefer to spend our time working on the trails and not picking up rubbish. Your ongoing support of reducing litter and reducing waste is appreciated. Please make the effort to put your rubbish in the bins provided and not leave it on the ground. There is to be no disposal of food or rubbish on the trail and no food or drink stores on the trail.

- Clothing/Protection Requirements: Full-face helmets with a fixed non-detachable mouthpiece are mandatory at all AusCycling sanctioned events.
 - A jersey or shirt covering the elbows must be worn as a minimum.
 - Knees must be covered by full-length trousers and/or self-fastening knee or knee/shin guards expressly designed for off-road cycling.
 - Under 13, Under 15 and Under 17 categories, the following equipment is always mandatory while on track:
 - o Full-finger gloves must be worn.
 - o Full length jersey – jersey must always cover elbows.
 - o Knee pads and elbow pads must be worn.
- AusCycling strongly recommends the use of the following:
 - o Neck brace expressly designed for off-road cycling.
 - o Back and shoulder protection expressly designed for the purpose.
 - o Full finger gloves.
 - o Elbow protectors and/or long sleeve jersey to the wrist.
 - o Goggles expressly designed for the purpose.
- Medical/First Aid: An onsite medical team from Moves Medical will be at the event for the 3 days.
